Product Name:

Fsc application data: internal communications group

Special Features:

Hprinted wiring board 1; semiconductor device, diode 106; resistor, fixed, composition 106; connector, receptacle, electrical 1; rivet, solid 2; stiffener, led display 2; screw, machine 8; washer, flat 8; washer, lock 8

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
