Product Name:

Fsc application data: internal communications group

Special Features:

8printed wiring board 1; transformer, audio frequency 8; microcircuit, digital 4; microcircuit, linear 4; semiconductor device, diode 2; capacitor, fixed, electrolytic 2; capacitor, fixed, ceramic dielectric 13, resistor, fixed, composition 34; ejector, circuit card 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
