Product Name:

Fsc application data: helicopter ah-15

Special Features:

Printed wiring board 1; connector, plug, electrical 1; insert, electrical connector 2; screw, machine 2; washer, flat 2; washer, lock 1; spacer, connector 1; connector, electric 1; frame assembly 2; semiconductor device 2; capacitor, fixed, mica dielectric 1; transformer, audio frequency 1; resistor, fixed, composition 1; relay, electromagnet 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
