Overall Length:

4.300 inches

Overall Height:

0.265 inches

Overall Width:

0.500 inches

End Application:

Tes set model a/e24m-30

Special Features:

Color violet

Material:

Plastic polyamide

Material Specification:

Mil-m-20693, type 4-a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-m-20693 spec.
