Overall Length:

2.500 inches

Overall Height:

0.120 inches

Overall Width:

0.190 inches

Unthreaded Mounting Hole Diameter:

0.067 inches all mounting facilities

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Special Features:

Mtg holes spaced 2.250 c to c

Material:

Copper alloy 172

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, type 2, class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
