Overall Length:

10.750 inches

Overall Height:

0.700 inches

Overall Width:

9.375 inches

End Application:

F-16 operational flight trainer

Product Name:

Usage design: m.C. Test panel

Special Features:

Printed wiring board 1; capacitor27; microcircuit 44; resistor 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
