

View Online at <https://aerobasegroup.com/nsn/5998-01-144-1905>

Features Provided:

Electrostatic sensitive

Special Features:

Major components: printed wiring board 1; capacitor 18; resistor 69; diode 19; transistor 2; microcircuit 15; relay switch 5; edge connector 1; mounting configuration: plug-in mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
