Overall Length:

6.500 inches

Overall Height:

0.500 inches

Overall Width:

4.500 inches

End Application:

2gvortac, fa-9996/17

Special Features:

Ti manual shows nsn number 5825-01-150-1054, this number has been deleted do not use, use part number de-c-3092; function, printed circuit board assembly, environmental analog; reference data, 17a1a1, ti-6820.1, fa-9996/17, enviornmental monitor and control equipment, pg 8-7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
