Overall Length:

5.000 inches

Overall Height:

0.750 inches

Overall Width:

3.950 inches

End Application:

6625-01-097-9200 spectrum analyzer

Features Provided:

Electrostatic sensitive

Criticality Code Justification:

Cbbl

Product Name:

Phase lock control

Special Features:

Mounted by four 0.141 in diameter holes irregularly spaced

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511k0
