Electronic Components Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5998-01-166-4983

Product Name:

Fsc application data: indicator, engine performance

Special Features:

Capacitor 42; circuit card assembly 1; connector 2; counter, electronic 6; microcircuit 14; printed wiring board 1; relay 5; resistor 77;

semiconductor device 19; transistor 9

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A511k0
