**Overall Length:**

10.000 inches

**Overall Width:**

7.350 inches

**End Application:**

Master suite installation t20f17

**Product Name:**

Usage design: distributor/driver

**Special Features:**

Printed wiring board 1; capacitor 25; resistor network 1; microcircuit 44

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
