**Overall Length:**

2.700 inches

**Overall Height:**

0.552 inches

**Overall Width:**

1.700 inches

**End Application:**

Model e-2c acft

**Special Features:**

Major components: printed wiring board 1; resistor, fixed 8; special test features: fragility factor 42

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
