**Overall Length:**

5.500 inches

**Overall Height:**

0.125 inches

**Overall Width:**

0.190 inches

**Unthreaded Mounting Hole Diameter:**

0.067 inches all mounting facilities

**Mounting Facility Type And Quantity:**

4 unthreaded hole all mounting facilities

**Material:**

Copper alloy 172

**Material Specification:**

Qq-c-533 federal specification single material response

**Surface Treatment:**

Nickel

**Surface Treatment Specification:**

Qq-n-290 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
