Overall Length:

3.800 inches

Overall Width:

0.270 inches

Unthreaded Mounting Hole Diameter:

0.068 inches all mounting facilities

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
