Overall Length:

2.580 inches

Overall Height:

0.500 inches

Overall Width:

0.630 inches

Unthreaded Mounting Hole Diameter:

0.280 inches all mounting facilities

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Special Features:

Item marked a2 and a3

Material:

Aluminum alloy 356.0

Material Specification:

Qq-a-250, temper t-6, alloy a356 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A03600
