Overall Length:

2.750 inches

Overall Height:

0.120 inches

Overall Width:

0.275 inches

Unthreaded Mounting Hole Diameter:

0.128 inches all mounting facilities

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Material:

Stainless steel

Material Specification:

Qq-s-766, class 301 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
