Overall Length:

6.200 inches

Overall Height:

0.660 inches

Overall Width:

2.190 inches

End Application:

Radar set an/sps-49

Product Name:

Blanker switch

Special Features:

Major components: printed wiring board 1; resistor 20; capacitor 18; coil 7; transistor 3; semi-conductor device 7; switch 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
