Overall Length:

10.290 inches

Overall Height:

0.034 inches

Overall Width:

1.320 inches

Unthreaded Mounting Hole Diameter:

0.104 inches all mounting facilities

Mounting Facility Type And Quantity:

5 unthreaded hole all mounting facilities

Material:

Plastic and plastic polyamide

Material Specification:

L-p-395, type 1, grade b, class3 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
