**Overall Length:**

12.000 inches

**Overall Width:**

7.750 inches

**End Application:**

General purpose automatic data processing equipment, software, supplies and support equipment

**Features Provided:**

Electrostatic sensitive

**Criticality Code Justification:**

Cbbl

**Special Features:**

Multiport serial interface

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
