Overall Length:

7.000 inches

Overall Height:

0.245 inches

Overall Width:

0.380 inches

Unthreaded Mounting Hole Diameter:

0.110 inches all mounting facilities

Mounting Facility Type And Quantity:

4 unthreaded hole all mounting facilities

Material:

Copper alloy 172

Material Specification:

Qq-c-533 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
