Overall Length:

9.010 inches

Overall Height:

0.430 inches

Overall Width:

4.305 inches

End Application:

6625-01-069-4223 test station, elect. Equip.

Product Name:

Fsc application data: test set, elect. Equip.

Special Features:

Printed wiring board 1; capacitor 3; resistor 37; integrated circuit 8; digital display indicator 12; switch 3; connector 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
