AeroBase Group

Body Style:

Single flair entry

Overall Length:

1.370 inches

Overall Height:

0.180 inches

Overall Width:

0.330 inches

Unthreaded Mounting Hole Diameter:

0.066 inches   and 0.070 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8 federal specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Mil-c-5541, class 1a military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-5541 spec.
