Overall Length:

4.130 inches

Overall Width:

2.650 inches

Unthreaded Mounting Hole Diameter:

0.096 inches first mounting facility

Mounting Facility Type And Quantity:

6 unthreaded hole first mounting facility

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, alloy 2024, temper 3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
