**Overall Length:**

10.000 inches

**Overall Height:**

1.000 inches

**Overall Width:**

6.500 inches

**Unthreaded Mounting Hole Diameter:**

0.218 inches single mounting facility and 0.224 inches single mounting facility

**Mounting Facility Type And Quantity:**

4 unthreaded hole single mounting facility

**Material:**

Aluminum alloy 5052

**Material Specification:**

Qq-a-250/8 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
