**Overall Length:**

2.000 inches

**Overall Height:**

0.125 inches

**Overall Width:**

0.270 inches

**Unthreaded Mounting Hole Diameter:**

0.066 inches single mounting facility and 0.070 inches single mounting facility

**Mounting Facility Type And Quantity:**

2 unthreaded hole single mounting facility

**Material:**

Copper alloy

**Material Specification:**

Qq-c-533 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
