Overall Length:

2.000 inches

Overall Height:

0.125 inches

Overall Width:

0.270 inches

Unthreaded Mounting Hole Diameter:

0.066 inches single mounting facility and 0.070 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Copper alloy

Material Specification:

Qq-c-533 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
