Overall Length:

1.000 inches

Overall Height:

0.125 inches

Overall Width:

0.438 inches

Unthreaded Mounting Hole Diameter:

0.200 inches single mounting facility and 0.208 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Stainless steel

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Qq-p-35, type ii federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
