

View Online at <https://aerobasegroup.com/nsn/5998-01-249-2423>

**Criticality Code Justification:**

Zzzy

**Special Features:**

Capacitors 10; resistors 18; transistors 12; integrated circuits 12; printed wiring board 1

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
