Overall Length:

6.000 inches

Overall Height:

0.062 inches

Overall Width:

0.400 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-225/7 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-c-8625, type it military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-8625 spec.
