## **Overall Length:**

5.300 inches

## **Overall Height:**

0.180 inches

# **Overall Width:**

0.370 inches

## Material:

Aluminum alloy

## **Material Specification:**

Qq-a-591 federal specification single material response

## Surface Treatment:

Nickel

### Shelf Life:

N/a

### Unit Of Measure:

--

### Demilitarization:

No

## Fiig:

A03600
