Fnd	Δnn	licatio	n.

Meterological equipment, 433I, weather observation and forecasting systems, meterological/weather projects

Features Provided:

Electrostatic sensitive

Criticality Code Justification:

Cbbl

Special Features:

6660-01-056-0923, telescope set. Solar

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
