Overall Length:

2.000 inches

Overall Height:

0.125 inches

Overall Width:

0.380 inches

Unthreaded Mounting Hole Diameter:

0.092 inches single mounting facility and 0.098 inches single mounting facility

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Plastic

Material Specification:

Damil-p-18177, type gee federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
