Body Style:

Screw wedge

Overall Length:

7.000 inches

Overall Height:

0.142 inches

Overall Width:

0.290 inches

Unthreaded Mounting Hole Diameter:

0.067 inches all mounting facilities

Mounting Facility Type And Quantity:

3 unthreaded hole all mounting facilities

Features Provided:

Left hand lock

Material:

Stainless steel

Material Specification:

Qq-s-698 federal specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416a, type 2, class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
