Body Style:
Screw wedge
Overall Length:
10.000 inches
Overall Height:
0.218 inches
Overall Width:
0.318 inches
Unthreaded Mounting Hole Diameter:
0.067 inches all mounting facilities
Mounting Facility Type And Quantity:
4 unthreaded hole all mounting facilities
Features Provided:
Right hand lock
Material:
Stainless steel
Material Specification:
Qq-s-698 federal specification single material response
Surface Treatment:
Cadmium
Surface Treatment Specification:
Qq-p-416a, type 2, class 2 federal specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03600
