End Application:

Used on pilot night vision sensor assembly

Special Features:

Microcircuit 13; resistor 87; capacitor 73; mounting pads 8

Specification Data:

04939-13080416-019 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
