**End Application:**

Used on the pilot night vision sensor assembly

**Special Features:**

Microcircuit 6; resistor 41; capacitors 10; relay 6; semiconductor 29; mounting pads 17

**Specification Data:**

04939-13080324 manufacturers specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
