

View Online at <https://aerobasegroup.com/nsn/5998-01-309-5650>

Special Features:

3.800 in. Lg; finish.Chemical film

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-5541 spec.
