

View Online at <https://aerobasegroup.com/nsn/5998-01-309-5650>

**Special Features:**

3.800 in. Lg; finish.Chemical film

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-200/8 federal specification single material response

**Surface Treatment Specification:**

Mil-c-5541 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600

**Mil-std (military Standard):**

Mil-c-5541 spec.
