End Application:

5820-01-256-1634 improved direct air support central

Special Features:

Soft start module assembly for telephone converter panel, block barrier1; capacitor 1; flanged terminal 3; insulated terminal 8; insulator 1; resistor 4; soft start module chassis 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
