**End Application:**

5820-01-256-1634 improved direct air support central

**Special Features:**

Soft start module assembly for telephone converter panel, block barrier1; capacitor 1; flanged terminal 3; insulated terminal 8; insulator 1; resistor 4; soft start module chassis 1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
