Overall Length:

5.220 inches

Overall Diameter:

0.625 inches

Unthreaded Mounting Hole Diameter:

0.094 inches single mounting facility and 0.097 inches single mounting facility

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Plastic polyamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
