**Overall Length:**

5.220 inches

**Overall Diameter:**

0.625 inches

**Unthreaded Mounting Hole Diameter:**

0.094 inches single mounting facility and 0.097 inches single mounting facility

**Mounting Facility Type And Quantity:**

1 unthreaded hole single mounting facility

**Material:**

Plastic polyamide

**Material Specification:**

L-p-410 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
