Circuit Card Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5998-01-321-0624

#### **Overall Length:**

14.500 inches

## **Overall Height:**

0.500 inches

## **Overall Width:**

7.000 inches

#### **End Application:**

An/tsc-115

#### **Special Features:**

Fprinted wiring board 1; shield 14; connector 20; test point 10; coil shield1; card extractor 2; resistor 111; capacitor 194; diode 8; transistor 9; voltage regulator 5; integrated circuit 30; crystal 2; switch 1

# Shelf Life:

N/a

## Unit Of Measure:

--

# Demilitarization:

No

## Fiig:
