Overall Length:

4.600 inches

Overall Height:

3.000 inches

Overall Width:

3.300 inches

End Application:

5865-01-321-2325 multiplexer td-1453/u

Product Name:

Full duplex kgv-68 compatible instrumentation support package module

Special Features:

45.54 cubic inches; major components: relay 1, relay control 1, power supply 1, battery pack 1, circuit breaker 1, rf filter 7, microcircuit 6, enclosure 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
