Body Style:

Tracked, flat

Overall Length:

Between 5.980 inches and 6.020 inches

Overall Height:

0.327 inches

Overall Width:

0.380 inches

Unthreaded Mounting Hole Diameter:

0.066 inches single mounting facility and 0.070 inches single mounting facility

Mounting Facility Type And Quantity:

3 unthreaded hole single mounting facility

Material:

Copper alloy

Material Specification:

Qq-c-533 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
