Special Features:

Qcapacitors 14; microcircuit, linear 5; microcircuit, digital 4; semiconductor device, transistors 8; semiconductor device, diode 8; resistors, fixed 48; printed wiring board 1; connector, plug, electrical 1; mounting pads 7

Specification Data:

04939-728010885-019 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
