Body Style:

Extractor

Overall Length:

0.431 inches

Overall Height:

1.560 inches

Overall Width:

0.312 inches

Unthreaded Mounting Hole Diameter:

0.126 inches single mounting facility and 0.128 inches single mounting facility

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Special Features:

Marked with esd symbol

Color:

Yellow

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Fed-std-595 federal standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
