End Application:

An/tpx-42 trans/pwrsp; nha 01a246008; used on the or-78a

Features Provided:

Electrostatic sensitive

Criticality Code Justification:

Feat

Product Name:

Pwb & dielectric plate assembly power divider

Special Features:

Critical fit restriction and application

Specification Data:

98738-01a246085-01 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
