Body Style:

Irregular

Overall Length:

7.281 inches

Overall Width:

1.250 inches

Unthreaded Mounting Hole Diameter:

0.257 inches single mounting facility and 0.260 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
