Overall Length:

9.120 inches

Overall Height:

4.250 inches

End Application:

Ground support equipment, av-8 aircraft

Features Provided:

Electrostatic sensitive

Product Name:

Spst qra assembly

Special Features:

Serialization controlled item

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
